

AT&T invites you to visit us at HIMSS 2008

February 24-28 2008
Orange County Convention Center; Orlando, Florida

Booth 5947 Hall D

Healthcare Innovation – Secure technology solutions for exceptional patient care.

Securely connecting healthcare providers and patients anytime and anywhere is not a luxury, but a requirement. This secure and seamless world of communications is what we, at AT&T, are all about. Our dedicated team of industry experts with healthcare management and technology experience has a passion to support you and your organizations. This coupled with our innovative healthcare solutions allow you to deliver exceptional patient care.

Visit us at HIMSS 2008 where you can interact with innovative healthcare technologies and speak with experts about solutions for your unique environment.
