

"Linking Technology and Medicine Together Through the AT&T Network."

AT&T invites you to visit us at the

HIMSS 2007 Annual Conference & Exhibition

Booth #2145 (Hall E)

February 25 – March 1, 2007
Ernest N. Morial Convention Center
New Orleans, LA

In order to respond quickly to patient needs, assure patient safety and optimize efficiency, you need multiple technologies and flawless security. Let us show you how we can help you manage wireless, wireline and everything around it.

We look forward to seeing you there. Please call your AT&T account manager to arrange for a personal demonstration of our healthcare communication technologies reaching beyond the hospital walls..

Join us for live demonstrations and sessions from industry experts for:

- Mobility
- Optical Transport
- Telemonitoring
- Telemedicine
- Digital Health
- Security
- Business Continuity, and
- Wireless Solutions
