

Patrick D. Pothier

Director – Healthcare
AT&T Business Marketing

Mr. Pothier, Director – Healthcare Segment Marketing for AT&T's Business Marketing organization, has been in the communications business with AT&T since 1977. He is an authority in voice and data communications, with a emphasis on designing and implementing medical focused application solutions and regional health information networks.

Prior to his current position, Mr. Pothier has held positions as Regional Sales Director – Datacomm / Network Integration, Sales Manager, Account Manager, and Project Manager for voice and data communications focused on telemedicine applications and solutions in the health care industry.

Mr. Pothier received his B.S. in Business Administration from the University of Phoenix, and his M.B.A. from the University of Southern California. He is a graduate of USC's Health Care Executive Management Development Program.

Mr. Pothier is a member of the Health Care Managers Association, HIMSS, and was actively involved as an advisor to the USC Executive Health Care Institute.
