

Linda Rader

Healthcare Director for AT&T

Linda Rader, RN, MSN, MBA, CPHIMS, is a Healthcare Director for AT&T in Dallas, TX. She has over 30 years experience in acute care, managed care, and healthcare IT.

Prior to joining AT&T, Ms. Rader spent 14 years with Perot Systems on their largest healthcare account where she held senior leadership positions supporting clinical applications, client divestiture transitions, and as the account Quality Manager. Most recently she was the Chief Administrative Officer for 11 healthcare accounts.

In addition to her IT experience, Ms. Rader has held senior nursing leadership positions in community hospitals, a large teaching facility and a managed care organization. She also worked for a large medical supply vendor in hospital sales.

Linda's experience includes project management, system implementation and support, contract negotiation and administration, regulatory compliance, implementation of quality initiatives and best practices, and program design and implementation.

She formerly served in the United States Army Reserve, Army Nurse Corp, with the rank of captain.

Ms. Rader joined AT&T in April 2008. AT&T Inc. is one of the world's largest telecommunications holding companies and is the largest in the United States. Operating globally under the AT&T brand, AT&T companies are recognized as the leading worldwide providers of IP-based communications services to business and as leading U.S. providers of high-speed DSL Internet, local and long distance voice, and directory publishing and advertising services.
