Brief

AT&T Fleet Manager - Government Solution

AT&T Fleet Manager is a robust GPS/AVL fleet management solution designed for government fleets of all types and sizes. Delivering data that is essential for running a fleet operation, Fleet Manager helps ensure compliance, enhance productivity and improve operational efficiency.

Powering Fleet Manager is a series of feature-rich GPS devices that deliver all the vehicle location and telematics field data fleet managers need to help improve operations. With AT&T's wireless service, the devices enable:

- Real-time high frequency 10 second data reporting and tracking
- Comprehensive on-board engine and vehicle diagnostics
- Advanced dynamic reporting suite
- Dashboards
- Mobile Voice Dispatch: EPTT Integration
- Rules and Exception Alerts
- Live Service Maps and Route Completion Reports
- Custom GIS Map Integrations
- Hours of Service - ELD Application

Customized Solutions: Helping Customers Face the Future with Confidence

With Fleet Manager's highly flexible and scalable platform, you are able to respond to the specific needs of a wide variety of organizations and fleet types.

- State and Local Government Fleets
- Public Works
- Winter Operations
- Streets & Sanitation
- Public Safety
- General Fleets
- Federal Government Fleets

- Reports
- Mapping
- Dispatch
- Maintenance
- Admin

Government Fleets

The Fleet Manager solution can provide federal, state, and local governments with tools to decrease operating costs, improved transparency and mitigate risk for overall operational effectiveness.

Advantages

- Accountability
- Safety
- Compliance
- Liability
- Operational Efficiency
- Fuel Optimization
- Reduce Emissions
- Theft Prevention

On-The-Go Communication

As part of its GPS fleet tracking solutions, Fleet Manager Mobile can run on Apple iPhones and iPads running iOS and Google Android running Google OS. Fleet Manager Mobile enables you to see any configuration of trucks and assets, their status, and specifics about their condition.

View Vehicle List – Organize exactly what you want to look at. View, search, and select multiple vehicles or mobile assets.

Vehicle Status – Ensure your fleet drivers are safe and driving within legal limits. With the ability to see stopped, moving, or even

speeding trucks, you benefit from real-time exception report. In addition, you can see which direction moving vehicles are headed. Vehicle status also shows the last reported GPS transmission time and the last time your screen was updated.

What's #1 for you?

- Accountability
- Liability
- Compliant third-party contractors
- Transparency
- Safety
- Flexible fleet customizations
- Fuel Economy
- Lowered operating costs
- Mobile Asset Management
- Third-party integration

Mobile Voice Dispatch: EPTT Integration

Now integrated with Enhanced Push To Talk, AT&T Fleet Manager Mobile Voice Dispatch can now deliver a powerful, fully integrated solution to help ensure that your field workers are reachable from within the Fleet Manager web portal.

- Instantly Communicate
- Enhance Levels of Service

- Improve Safety
- Smart, Strategic Decisions

Fleet Intelligence Anywhere

Fleet Manager can have a positive impact on government budgets, because it uses business intelligence to monitor fleet operations more closely, analyze trends, and respond in a timely fashion. You're building a way to process data, analyze it, and leverage it to serve a wide range of business needs.

Fleet Manager provides critical information in numerous ways:

- View vehicles in real time to assess vehicle speed, direction, optimize routing, and respond to customer order changes as they occur
- Quantify and verify compliance with federal and state requirements

Vehicle solutions

- Starting at \$14.00 per month plus data

Asset Tracking solutions

- Starting at \$9.00 per month plus data
- For more information please contact your local AT&T Fleet Manager regional sales manager.

Important Information and Additional Terms

General: AT&T Fleet Manager ("Fleet Manager") as described in this product brief (the "Solution") is available only to eligible customers with a qualified AT&T agreement ("Qualified Agreement"). The Solution is subject to (a) the terms and conditions found at (a) http://resources.webtechwireless.com/ATT/doc/ATT-WTW_TC_Warranty.pdf ("Additional Product Terms"); (b) the Qualified Agreement; and (c) applicable Sales Information. For government customers, any Additional Product Terms not allowable under applicable law will not apply, and the Qualified Agreement will control in the event of any material conflict between the Qualified Agreement and the Additional Product Terms. Any service discounts, equipment discounts, and/or other discounts set forth in the Qualified Agreement do not apply to the Solution. The Solution may not be available for purchase in all sales channels or in all areas. Additional hardware, software, service and/or network connection may be required to access the Solution. Additional fees, charges, taxes and other restrictions may apply. Offer subject to change. Coverage not available everywhere.

Professional/Training Services: Upon completion of Professional/Training Services, Customer must either sign the acceptance document AT&T presents or provide within five business days of the service completion date written notice to AT&T identifying any non-conforming Professional/Training Services. If Customer fails to provide such notice, Customer is deemed to have accepted the Professional/Training Services. AT&T reserves the right to conduct work at a remote location or use, in AT&T's sole discretion, employees, contractors or suppliers located within or outside the United States to perform work in connection with this offer. Customer will in a timely manner allow AT&T access as reasonably required for the Professional/Training Services to property and equipment that Customer controls. Customer will ensure that the location(s) to which access is provided offer(s) a safe working environment, free of hazardous materials and reasonably suitable for the Professional/Training Services. The Professional/Training Services provided will be performed Monday through Friday, 9:00 a.m. to 5:00 p.m., local time. For both Professional and/or Training Services, a separate statement of work describing the activity and related terms and pricing must be executed. If impediments, complications or Customer-requested changes in scope arise (Changes), the schedule, the offer, and the fees could be impacted. In the event any Change(s) affect this offer, or fees, the parties will modify Customer's order (or statement of work, if applicable) accordingly by executing a Change Order.

Requirements; Technical Information: Minimum 2 MB Wireless Data Plan for each device is required for fleet tracking take out (PTCK or equivalent).

Coverage: Wireless coverage is not available in all areas. www.wireless.att.com/coverageviewer for AT&T's wireless coverage. Wireless service is subject to transmission limitations and terrain, system, capacity and other limitations. Availability, security, speed, timeliness, accuracy and reliability of service are not guaranteed by AT&T.
