

3.0 IP SERVICES PAST PERFORMANCE VOLUME [L.34.3]

L.34.3 The offeror shall submit its response to the Past Performance Volume conformance requirements to the Networkx Hosting Center. For each requirement in the cross reference table, the offeror shall indicate either compliance with the requirement or the rationale for taking exception to the requirement. If the offeror proposes an exception to or deviation from a requirement, it shall provide a Past Performance Volume reference in the cross reference table indicating where the proposed exception or deviation is located.

The offeror shall provide client references capable of documenting the offeror's performance on similar contracts. These references must be external entities, not affiliates or businesses related to the offeror.

AT&T has submitted its responses to the Past Performance Volume Conformance Requirements to the Networkx Hosting Center. [REDACTED]
